**You can choose your price plan and switch between Time-of-Use (TOU) and Tiered prices.**

## TOU

The price depends on when you use electricity. You can help manage your electricity costs by shifting your usage to lower price periods when possible.

## Tiered

With Tiered pricing, you can use a threshold amount of electricity at a lower price. Once you exceed that limit, a higher price applies.

**Considering a switch?** Use your own electricity usage information from your bill and our calculator to see, side-by-side, what your total bill would look like under TOU and Tiered prices.
